

From Today

ch

From today I'm going to try, from now on, once and for all
Welcome me beautiful life, I'm coming for you, I'm coming for you now
Might be late but never too late, quit the old, throw it away
Now I'm sure this is my time, I'm standing right here and nothing will move me

From today I'm going to try, from now on, once and for all
Welcome me beautiful life, I'm coming for you, I'm coming for you now

v1

I've got enough, I'll be waiting no more.
I will take the charge. All depends on me now, not like before
I've got the power and will do it alone.
Keep away from me cause this time I'm moving ahead my baby.

v2

I don't know why I was waiting so long
I've been in the ditch, crawling in the trenches for much too long
It's been no fun lying flat on the floor
Now I'm getting up. Nothing's gonna stop me I'll break it off

ch 2

From today I'm going to try, from now on, once and for all
Welcome me beautiful life, I'm coming for you, I'm coming for you now
